

DEAL ANNOUNCEMENT

We are pleased to inform that on 2016 November 4th, the sale of the substantial business of Co-Ex Corporation (www.co-excorp.com) from Koscon Industrial S.A. (www.koscon.com) to Stabilite America (www.resolite.com) was completed.

CO-EX Corporation has been effectively serving the horticultural, architectural, plastics and home-improvement markets since the founding in 1988. The products feature the advanced technology and product development that the market would expect from an industry leader, with the type of superior service that comes with a smaller, close-knit operation. CO-EX was the subsidiary of the Swiss based Koscon Industrial S.A. selling its products in the USA and Canada.

Koscon is a global leader in the design and manufacture of polycarbonate sheets and systems. With a corporate structure that includes a Research & Development laboratory and a Quality laboratory. Koscon offer innovative products that anticipate market trends. With over 30 years experience in working with polycarbonate, Koscon Industrial S.A. (formed from the merger of EMP and Politec) is internationally renowned, with its products sold throughout the world offering products that satisfy the specific needs of local markets.

Stabilite USA is a subsidiary of the Mexican Verzatec Group. Stabilite is one of the world leading companies in the manufacture and sale of fiberglass-reinforced plastic sheets, with over 50 years' experience. The company is completely dedicated to customer satisfaction, and has an international presence. Their philosophy is one of continual improvement, constantly offering the latest products to the market.

Resolite, a business unit within Stabilite America is looking forward to serving former CO-EX clients with the kind of excellent product quality and customer service that Resolite clients have always known. In the future Resolite will be the exclusive representative of the Swiss Koscon products in the USA, Canada and Mexico. Customers can count on Resolite to deliver complete lines of Macrolux® Multi-wall Polycarbonate Sheet, Macrolux® Wall Series Polycarbonate 4, 5, and M-wall Sheet, Rooflite® Corrugated Polycarbonate Sheet, and Polycarbonate Profiles.

Management Consulting Kastner GmbH & Co. KG from Germany managed the divestment process as advisor to the owners of Co-EX and was supported by D4 Solutions LLC in the USA.
